By Tom S. Andrews

El Puso Rendings. Today. Yestrdy. Mike Gibbons, the St. Paul middleweight—for Mike has cutered that class from all reports—intends entering upon an aggressive campaign the coming fall Eddy Reddy, manager for the St. Paul boy, writes me regarding his protege as follows:

"Just a few lines to let you know that Mike will be at the lake near here for six weeks and will take a much needed rest. He is trying to take on some weight. We would like to visit Australia the same as Clabby did, but want to get the money around the east first. Australia the same as Clabby did, but want to get the money around the east first. I am thinking of taking Tom Gibbons with me on the next eastern crusade, as I feel confident he can beat the bunch of them around his weight. Tom weighs 160 pounds now and will prove a wonder. He is fast and clever and can hit. Just you watch him, for you know you picked Mike out to beat all of them at the welterweight limit over a year ago."

It is understood that the Buffalo club is trying to match Gibbons and Jimmy Chabby for a 10 round bout some time in September. It would prove a big card, but no doubt would draw better in New York city. It will be another the well worth seeing. Clabby phoned me this week and said he was going after the middleweight title, but pre-
